

Kiwanis[®]

Club of Germantown

Serving Germantown for more than 50 years

Kiwanis is a global organization of volunteers dedicated to improving the world one child, one community at a time.

**Kids need Kiwanis
and
Kiwanis needs
YOU!**

Improving the World One Community, One Child At a Time

Kiwanis provides

- A means to improve the lives of children through student leadership programs,
- An opportunity to build enduring relationships while having fun,
- A way to gain greater appreciation of your own talents and success while “giving back” to children, and
- A chance to work with leaders in your community.

What do we do?

We sponsor and support student leadership programs:

We also support service organizations and activities such as: Madonna Learning Center, Oral School for the Deaf, Germantown Library, Germantown Theatre, Special Kids fishing rodeo, Destination Imagination, Books from Birth, a float in the annual Germantown holiday parade with K-Kids and Kiwanis college scholarships for area high school students.

How do we do it?

We fundraise money through events such as the annual Kiwanis Golf Tournament, Pancake Day, food sales at Germantown Festival with Kiwanis Key Clubs, food vendor management at Germantown family fourth of July celebration, annual spaghetti dinner, annual chili cook-off and sponsorship from businesses.

“The Kiwanis mission of supporting our children and our communities is why I have been a Kiwanis member since 2005. I appreciate and support our Germantown Kiwanis and encourage others to do so.”

Mark White
Tennessee State Representative

“My membership in Kiwanis has given me opportunities to participate in numerous community focused and fun projects, to learn new things, and to get to know some wonderful people.”

Dr. Sylverna Ford
Dean of University Libraries U of M

“I am glad to have been a Kiwanian for the last ten years. It is a wonderful opportunity to serve our community and improve the world one child at a time. We do this enjoying great fellowship while learning more about our community, its leaders, organization and opportunities.”

Mary Wagner, Circuit Court Judge

“One person helping one child makes a difference; an entire club – 60, 70, even 80 persons – helping many children makes a huge difference. I’m a Kiwanian because there is strength and success when people come together for a common purpose to make life better here and around the world.”

Former Mayor Sharon Goldsworthy
City of Germantown

“I have been a member since 1973 and really enjoy the fellowship and an opportunity to support a great and legendary Germantown service club. The meetings are informative and invigorating!”

Dick Leike
President of Crye-Leike Realtors

“Kiwanis, to me, means the chance to give my time to the community to benefit children so that they can make this a better world for their future.”

Steve Veasart
Owner Veasart Financial - Retired
